MOSES — THE STORY, PART 2

Moses

The baby in the basket who led a nation

One ordinary day, Moses saw something extraordinary: a bush that was on fire but did not burn up. As he stepped closer, God called his name and gave him a huge job — go back to Egypt and lead the Israelites out of slavery. Moses felt small and scared. He said he was not a good speaker and begged God to send someone else. God promised to be with him and sent his brother Aaron to help. So Moses returned, stood before mighty Pharaoh, and asked him to let God's people go. Pharaoh refused again and again, and God showed His power in Egypt until at last Pharaoh said yes, and the people hurried out into the night.

REMEMBER:

When I am scared, God is with me and helps me be brave. (told in our own words)

Virtue: Staying Faithful

Daniel shows us the virtue of staying faithful. Read the memory line below out loud together, then copy it carefully in your best handwriting on the lines.

I will keep praying and doing right, even when it is not easy. (told in our own words)

Now say it from memory — no peeking!

Draw one small picture that will help you remember this virtue:
